**OCONEE REGIONAL MEDICAL CENTER NAMED ONE OF TOP GEORGIA  
HOSPITALS FOR 2016**

**Oconee Ranks #2 for Mid-Sized Hospital**

**Milledgeville, GA** – Oconee Regional Medical Center (ORMC) was listed among the top hospitals in Georgia for the year 2016. Oconee placed **second** in the mid-sized hospital category according an article in the December 2016 *Georgia Trend Magazine*. This year’s ranking is a significant move up from twelfth (12<sup>th</sup>) place in 2015. ORMC has consistently placed in the top 25 hospitals since 2012.

Hospitals are ranked based on their Total Performance Score, which is calculated by the Centers for Medicare and Medicaid Services (CMS). These include outcomes related to the clinical process of care, the patient’s perception of their care experience at the hospital and the value/efficiency of the services provided.

“We have wonderful and dedicated staff members who work tirelessly to provide excellent healthcare for our patients” said Dr. Phyllis Parks Veal, Chairwoman for the ORMC Board of Directors. “They continue to amaze me with their outstanding performance and I am very proud of this accomplishment” she went on to say.

Oconee Regional Medical Center was placed in the Medium Hospital category (between 100 and 249 beds). The bed size was determined by the American Hospital Directory.
